AROUND THE WORLD

WITH HOLROYD HOWE

Join us on a summer holiday adventure

For us, the best part of our summer holidays are getting the opportunity to try new foods from all over the world. Experiencing new tastes and new cultures from far and wide. With fewer abroad holidays taking place this year we don't want your pupils' to miss out on some taste sensations.

With that in mind we are launching our summer holiday initiative **"Around the World with Holroyd Howe".**

Join us ever week, from the 14th July, whilst we try food and cuisines from countries around the world. We will be sharing 2 videos and recipes every week on the Holroyd Howe You Tube channel. Subscribe to our channel today by click here and keep an eye on social media each week.
