Dear Parents,

TIME TRIALS FOR SWIM SQUAD 2011/12

I am writing to you inform you that during the week commencing 23rd May, we will be holding our time trials for next year's swim squad. These time trials will take place during your child's normal swimming lessons.

The criteria for selection is based upon recorded times over a 50m distances as well as the ability to swim over a set distance using a number of strokes. The swim squad is a very popular club with over 40 children currently attending either one or two morning training sessions before school on a Tuesday and Thursday. The day which your daughter chooses to attend is completely optional and can be either one or both. This choice will of course not affect your daughters' selection opportunities for galas. However, by attending both sessions we hope to see greater progress to be made. Swim squad provides an opportunity to improve your daughters' fitness and stamina in the water and prepares them for competitive swimming. If your daughter is selected for the swim squad, this does not guarantee her a place at every swimming gala that The Manor participates. However, we will endeavour to offer competitive swimming at, at least one swimming gala, provided we are able to secure the appropriate fixtures.

The cost of attending swim squad will be announced at the end of term when club letters are produced for next year. If your daughter would like to be considered for next year, then, please complete the attached form and return to Mrs Mulford no later than **Monday 16 May**. As you know, Mrs Mulford is also available on email: gmulford@manorprep.org or telephone number 01235 858491 to help you with any administration details.

Please do not hesitate to contact me if you have any queries.

Yours sincerely,
