

The Manor
PREPARATORY SCHOOL

To all Parents

24 September 2010

Dear Parents

HARVEST FESTIVAL

You are all warmly invited to join the school in the Main Hall for our Harvest celebration on Wednesday 6th October at 9:00am.

As part of this year's celebration of Harvest, we will be supporting the work of the Abingdon Food Bank. This organisation works with people who are in crisis and do not have enough money to feed themselves and their families adequately.

The food bank works through various social agencies, charities and organisations to distribute non perishable foods to families that have been identified as being in crisis.

The food bank relies on voluntary contributions of non-perishable foods to carry out their work and we have decided to support them this year through our Harvest Festival.

Your help on this project would be greatly appreciated. We would like to ask each child to bring a contribution into school and I have set out below, a table of food items by class. We would like contributions to be in school by Tuesday 5th October please, the day before our Harvest Festival. Please ensure that all goods have a shelf life of at least six months.

Contributions can be brought into school and left in the box in your child's classroom.
