

**To All Parents**

21 September 2010

Dear Parents

**Tokens for Free Books**

This year we are collecting the *Box Tops for Books* tokens again which can be found on the top of certain Nestle cereals.

This scheme enables us to obtain free books for the library by providing a broad selection of books that inspire, teach, amuse and challenge in return for the tokens we collect. The books we can acquire help children to develop their powers of imagination and critical awareness as well as their speaking and listening skills.

It takes as little as 10 tokens to get one free book, so the more tokens we collect the more books we can receive for our library.

Please hand any tokens you collect to Mrs Belcher in the library.

Many thanks for your support.

Kind regards

*Kate Belcher*
