Dear Parents

**The Nasio Trust - Appeal for Children's Books**

We have been approached by a local charity that provides support for orphaned and destitute children in Kenya, (mainly HIV orphans), in the form of food, clothing, schooling and Day Centres. The charity is appealing for any second hand children's books which could be used to build up small libraries in their schools.

If your family would like to donate a book, please bring it to the school office between **Tuesday 4** and **Friday 7 May** for forwarding to the Nasio Trust.

If you wish to read more about The Nasio Trust, go to [www.thenasiotrust.org](http://www.thenasiotrust.org).

Many thanks

Yours sincerely
