Dear Parents

Childnet Talk for Parents - ‘Online Safety for Your Child’

Online safety is such an important aspect of parenting that we have asked Lindsay Bower from Childnet International to talk to pupils (Y4-Y6), staff and parents on Thursday 3 February.

The session exclusively for parents will start at 7pm in the Main Hall; if you wish to come, please arrive for 6.50pm as we intend to make a prompt start. The purpose of the talk is to outline the dangers that face children via the internet, mobile phones and email, and for advice to be given to parents about the best ways to protect children, as well as celebrating the positive aspects of the internet. There will be an opportunity for questions at the end. The session should finish by 8.30/8.45pm. There is, of course, no charge for this talk.

It would be very useful to know how many parents are coming to this talk. Please complete the slip below and return it to your child’s Form Teacher by Tuesday 1 February 2011.

Yours sincerely
