Dear Parents,

East Africa Appeal

I am sure you have been as moved as I have by the scenes of drought and malnutrition in East Africa this summer. We would like to appeal to you all to support us in our first fund raiser of the new academic year. On Friday 30 September we would like the children to come into school in home clothes and we will be having a special assembly to introduce the children to the plight of East Africa.

Last year we raised nearly £1000 for the flood victims in Pakistan and I would like to think we can match or increase this figure. Many people worry about the money getting to the right place but I hope I can reassure you all that we will be sending our contribution via Oxfam and/or Save the Children, who have dedicated appeals in the area.

May I please suggest a minimum donation of £1 per child, to be brought into school to the Class Teacher on 30 September.

Very many thanks in anticipation.
