

The Manor
PREPARATORY SCHOOL

To children of Parents in Year 4

10 December 2010

Dear Parents

Year 4 French Lunches

The children are practising with enthusiasm in preparation for the French lunches, which we are greatly looking forward to hosting in February, and to which one parent of each child is cordially invited. We very much regret that, because of the logistics of accommodating the event, we are unable to invite more than one parent per child on this particular occasion. Should neither of you be able to attend the lunch, another adult relative or family friend would of course be most welcome.

There is one lunch per class and we are therefore writing to give you warning of the dates and times, which are as follows:

4S Friday 11th February **4P** Monday 14th February **4J** Tuesday 15th February

All lunches will be from 12.45 until approximately 2.15 p.m. and, as we only have a small window for the event, we should much appreciate your prompt arrival. The venue is 6KW's classroom, which is next to the Food Technology Room on the ground floor of the Science, Art and DT Block.

We very much look forward to seeing you on the date of your child's lunch and are sure that you will enjoy the fruits of the children's labours! We will be writing again next term to give you further details about what the girls should wear for the occasion.

With best wishes,

Monica Hyde
French Department
