

To All Parents, Years Nursery - Year 2

18 February 2011

Dear Parents,

Scholastic Book Fair

We will soon be holding our next Scholastic Book Fair in school. The Fair will be open on Monday 14th March from 3.15 - 4.15pm for all pupils in years N - 2. This year the Fair will be held in the Music Rooms.

This event encourages reading in all pupils, whatever their ability or interest, and helps the school by giving 60p in every £1 spent back to us in free books. Books start from as little as £2.99 with the average price being £5.00.

Please come along with your child and choose books from the exciting range that Scholastic will be sending us this year. Don't worry about bringing cash or cheques into school as payment will be put on individual accounts at the end of term.

I look forward to seeing you and your children there.

Yours sincerely,

Kate Belcher
