

The Manor
PREPARATORY SCHOOL

3 May 2011

Dear Parents,

On Tuesday 10th and Friday 13th May, Mrs Berrett has kindly offered to open her music sessions for parents to come and watch if they wish. This is an opportunity for you to get a flavour of the wonderful music sessions the children have and look forward to each week. Please be prepared to join in if your child wobbles with you being there! The children are divided into 2 groups for music and their group and times are listed below. Please meet us at the music wing just before the session is due to start. If your child does not stay for the afternoon or you wish to take them home after their music session please let us know.
