

The Manor
PREPARATORY SCHOOL

21 May 2010

Dear Parents

The school photograph is on Friday 28th May. If your children do not come in to Pre Nursery on this day but you would like them to be in the photograph please bring them into school at 11 am and stay with them until after the photograph has been taken. Please bring them straight to the field by the rear parents' car park.

Please remember there will be many other opportunities for your children to have individual, class and school photographs during their time at the Manor and we appreciate you may feel you want to leave this until they are older.

Best wishes

Pippa McConnell
