

To Parents of Year 2 children

30 April 2010

Dear Parents

Your daughter is coming to the end of a 'Key Stage of Learning.' This is an appropriate time for her to be assessed in the core subjects of English and Maths.

Although the children do not do the Government's official National Curriculum SATS (Standard Attainment Tests) we assess the children using traditional tests for reading, writing, spelling and mathematics.

We use this data for internal purposes only in order to enhance our target setting and to raise standards further. We keep the atmosphere as relaxed as possible during this time and do not publish the results.

These arrangements will take place between 10th and 24th May. We would greatly appreciate it if you could avoid booking any medical or dental appointments during this week, so that your daughter does not miss any assessments.

Yours sincerely

Claire Porter
Head of Pre-Prep
