To all Year 5 Parents

28 May 2010

Dear Parents

Year 5 Book Club

Our last Book Club meeting was very successful as, having read *Cosmic*, the girls discussed with great maturity the nature of father/child relationships and the complexity of space travel.

Our next meeting will be on Tuesday 29 June in the library, from 4 until 5.15pm. The book we have chosen for discussion this time is *Smith* by Leon Garfield.

If your daughter takes part in another club on a Thursday, she will be allowed to excuse herself from that club in order to take part in Book Club. You will only be charged for Book Club rather than both clubs. The girls will also need to bring in a packed tea on the day we meet.

We look forward to seeing the girls on the 29 June.

Yours sincerely
