

The Manor
PREPARATORY SCHOOL

July 2010

To Parents of Year 2

Dear Parents

At the start of the year we issued numbered copies of the red 'CGP Key Stage One Maths Study Book' as a guide for you to see how we teach each concept.

We hope you have found these books useful along with the weekly update sheets giving details of the Maths topics we have covered and the relevant page numbers in the study book.

Please could you now return your copy of the book so that we may pass them to the Year 2 parents next year.

Many thanks,

Claire Porter

Joanne Reed
