

**The Manor**  
Preparatory School

## **To All Parents**

Friday 26 June 2020

Dear Parents

### **Mr Thomas' Charity Haircut**

You may well have noticed, throughout this period of lockdown, Mr Thomas' ever-increasing mop of hair, in fact many of you have commented, both directly and indirectly! Thankfully he has not taken any offence, but instead he has agreed to allow his family to significantly reduce the volume (I think the expression is a Number 4!), provided it raises money for a charity chosen by Manor children.

For background purposes, our Year 6 pupils would ordinarily, at this time of year, be responsible for organising and running the annual school fete. They decide together, by presenting and voting, which charity they would like to support.

Our Year 6 leavers have been denied many things this summer in their final term at The Manor so we have decided to give them a final charitable opportunity. The Year 6 pupils will be making their personal charity suggestions and putting them together on Google slides ready to present to you on Monday 29 June at 8.45am. These videos will be made available on our website (Pupil's Pages) and all the children will be able to vote, via their teachers, for their preferred charity, on that day.

Once the charity has been democratically voted on, we will set up a Virgin Money Giving page to raise funds; our target is £2000. We will send you the link as soon as this has been set up.

In school, on Wednesday 1 July, Mrs Thomas and daughters Milly and Martha will make the drastic haircut. The video will be available to view immediately afterwards and we will let you know how to view it at that time.

Please help your children to **vote on Monday!** Please **watch the video on Wednesday** and **please support!**

Thank you.

Yours

Neil Jackson  
Head of Years 5 and 6

Hannah Thomas  
Year 6 Form Teacher
