Dear Parents

Bath Children's Literature Festival

The "Reading is Magic" Festival is a week-long schedule of daily events online hosted by the Children's Literature Laureate, Cressida Cowell, starting on Sunday 27 September. She will be joined by an all-star line-up of leading authors and illustrators along with a learning programme, to be viewed either at point of broadcast or on demand afterwards. All sessions are free and available for everyone, everywhere. Some of the authors taking part are real favourites of ours in the library, including Robin Stevens and Chris Riddell.

For further information and access to free sessions please look at the website <https://www.readingismagicfestival.com/>

I hope you enjoy taking part in this great celebration children's literature.
