Manor Association of Parents (MAP)

In the current climate, the concept of community is an interesting one; whilst on one hand people are doing all they can to pull together, on the other it has never been more challenging to get together, make plans and share experiences. The same is true in our school community. In normal times being a Manor parent is an interactive, engaging and social experience. As we look ahead, we know we need to find new ways to socialise and we will be writing to you all separately with some ideas on how we might do this. In the meantime, please can I make a plea for volunteers to become Class Reps; never has it been more important for parents to take on this role throughout the school to galvanise their year groups, support new parents and promote good communication, interaction and fun! If you would like to volunteer or simply find out more, take a look at the letter in this week's mailing or contact Karen Copson - admissions@manorprep.org.

SHUS Donations

Whilst parents are not allowed on site, items to sell in SHUS can be dropped off in the box outside The Manor House, by the Milk Yard gate. The box is shown here in this photo.

Lost and Found... Please ensure that all items in school are named as it is currently difficult for us to reunite missing items with their owners due to the year group bubbles.
