Year 2 Castle Day

Year 2 enjoyed a wonderful day in the Castle where we were transported back to Medieval times and were surrounded by Kings, Queens, Princesses, Knights and Dragons! We have been learning all about castles this term and what life was like back then. As we were not able to visit a real castle this year, we have enjoyed taking part in lots of castle activities such as shield designing, crown craft and dragon art along with some medieval music and movement.
