Life After Entrance Exams!

- Continued Curriculum Work
 - Assessments
 - Latin
 - Enrichment Presentations
 - Induction Days
- Visits from Senior School Staff to The Manor to meet our children

FAQs

Q – Who do I approach to get permission to visit other schools (Open Days, Taster Days etc)?

A – These requests should go by email to Form Teachers, please.

Q – How many schools should my child apply to?

A – This varies from child to child and we would suggest you discuss this in person with the Head.

Q – When and how is my child's senior school reference written and sent?

A – We prepare a confidential Head's Report for every child between September and November of Year 6. These are sent out as and when requested by Senior Schools and no later than the end of November. We use our own established and well-regarded template for these Reports. The Report is contributed to by all subject teachers and also includes a section on Extra-Curricular activities.

Q – Should my child practise for interviews?

A – Senior Schools tend to prefer that children are not prepped for interview. At this age, the interviews are a general chat and very informal. The most important elements are eye contact and a big smile!

Q – What is the deadline for senior schools' applications?

A – This varies from school to school, but for the vast majority of day schools in our area, the registration deadline is in October of Year 6.

Q – How long after a senior school's entrance exam will we find out the result?

A – In most cases results will be published no more than two weeks after the entrance exam.

Q – What should I do if my child is awarded a place and the school asks me to accept and confirm this formally before the beginning of March?

A – No school should expect any family to make their choice before 1 March. Should you feel under pressure then please do let me know and I will communicate with the school directly.
