

Crunchie Bar Ice-Cream

6 egg yolks

180g caster sugar

1 teaspoon of vanilla paste

4 Crunchie bars, bashed with a rolling pin (need to have large and small chunks)

450ml double cream

Beat together the egg yolks, vanilla paste and sugar until really thick and leaves a trail when the whisks are lifted. Whip the cream until a soft whip. Fold into the egg yolk mixture along with the bashed Crunchie bars and freeze.
